

## IoT System Certification Scheme (IoTSCS)

Government of India

Ministry of Electronics & Information Technology, STQC Directorate 6, CGO Complex, New Delhi 110003

• Certificate of Product Evaluation <

## Certificate Number: STQC/IOTSCS/0823/004

Product Name: Sparsh IPC Dome, Bullet & Box Camera

**OEM:** M/s Samriddhi Automations PVT LTD. Plot No.75, Sector-7, IIE SIDCUL, HARIDWAR 249403, UTTARKHAD(India)

Manufacturer: M/s Samriddhi Automations PVT LTD. Plot No.75, Sector-7, IIE SIDCUL, HARIDWAR 249403, UTTARKHAD(India)

Supplier: --

Security Level: L2 of ASVS v4.0 Appendix C: Internet of Things Verification Requirements

The product identified in the certificate has been evaluated under the terms and conditions of the IoT System Certification Scheme (IoTSCS), at Electronics Regional Test Laboratory (North), S Block, Okhla Industrial Area, Phase II, New Delhi 110020 for conformance to the ISO/IEC 27400 (Testing Specification as per OWASP Application Security Verification Standard v4.0 - Appendix C: Internet of Things Verification Requirements).

This certificate applies only to specific version and release of the product in its evaluated configuration (Refer Annexure for details & Model Numbers).

This certificate is not an endorsement of the product by any agency of the Government of the India and no warranty of the product is either expressed or implied.

## Note:

1. This statement of compliance will be null and void if there is any change in product and/or if any new vulnerability is discovered.

2. The scope of assessment is limited to device only. The device may be considered for deployment with the below recommendations

a. As the device supports only manual mode for firmware updates, the devices are recommended to be used only in a controlled environment i.e., INTRANET. b. The following shall be considered while configuring the device for video streaming protocols: i. Streaming protocol (RTSP over HTTPS) is secure and may be used for INTERNET/INTRANET environment. ii Streaming protocol (RTSP over SSL) with digest-based authentication shall only be used in the INTRANET environment i.e., where the

Date of Issue: 06.09.2023 Certificate Expiry: 05.09.2026

device shall not be connected on public networks
