ABOUT STQC

STQC, is part of Department of Electronics & Information Technology, Govt. of India organization. STQC was set up in 1977 with an objective to improve the Quality of Indian Electronic and IT products & services and facilitate the industry to become global player. We have a nationwide network of 14 labs providing testing, calibration and certification services to industry.

In order to promote awareness, commitment and compliance to the recognized best IT practices, STQC has established eight IT centers all across the country at Kolkata, Mumbai, Delhi, Chennai, Bangalore, Hyderabad, Jaipur and Pune.

In the area of Information Security management, STQC is the first Indian accredited certification body in the country and first outside UK and Netherlands to offer Third party ISMS Certification as per ISO/IEC 27001:2013 . Our scheme is accredited from NABCB, Quality council of India .STQC is the National Certification Body under the Common Criteria for security testing of products. We also carry out, Risk Assessment/Gap Analysis (Readiness assessment) for interested organizations as part of their implementation of Information Security system as per ISO/IEC 27001 / ISO/IEC 27002 or any other standard. STQC has a team of competent ISMS auditors/ lead auditors duly qualified as per international requirements to accomplish these tasks.

STQC also provides education and training services in the form of public and tailor made onsite training courses covering aspects like

- IRCA Certified ISMS Lead Auditor Program
- STQC – CISP : A program on ISO 27001:2013 Implementation.
- STQC –CNSM: Certified Network Security Management
- ISMS Best Practices : ISO/IEC 2700x Awareness and Implementation
- Business Continuity Planning and Disaster Recovery Planning
- STQC-CIISA: Certified Internal Information Security Auditor course

We have rich experience of training more than 10,000 participants from more than 1000 organizations in India and abroad including at Sri-Lanka, China, Dubai, Doha, Mauritius, Singapore
