Testing and Certification of Biometric Devices for UID Application

Application Form

(BDCS-03-05**)**

STQC - IT Services

STQC Directorate, Department of Information Technology,
Ministry of Communications & Information Technology,
Electronics Niketan, 6 CGO Complex, Lodi Road,
New Delhi – 110003

Testing and Certification of Biometric Devices for UID Application

	_**Application for Testing and Certification of Biometric Devices for UID Application**_	
1	**Name & Address of Supplier (Client/ Agent/ Chanel Partner/ Applicant)** **(Also mention Tel, Fax, email)**	
2	**Name & Address of Biometric Device manufacturing organization** **If different from above** **(Also mention Tel, Fax, email)**	
3	**Description of the Biometric Device for UID Application** **Nomenclature/Model No.** **Version & Year of manufacturing/ release**	
4	**Applicable Specification**	**As per the following specifications:** **1.Biometric Device Specifications (for Device Under Test)** **2. Certificate for ISO 9001:2008 Certification for Biometric Device Development and Manufacturing facility (Manufacturer)** **3. Certificate for ISO 9001:2008 Certification for Biometric Device Supplier facility (Supplier/ Manufacturer)** **4. Certificate of Incorporation in India (Supplier/ Manufacturer)** **5. FBI Certificate for Image Quality for finger print scanners** **6. UL/ ANSI RP/ IEC 60825-1/ RoHS Certificate for Safety of Biometric Device** **7.WHQL Certificate for Device Driver** **8. FCC Class A and Environmental Testing Compliance Certificate** **9. Calibration Compliance Certificate of Biometric Device** **10. Manufacturers authorization (Supplier)** **11. Supply biometric devices (3-Numbers) with UIDAI complaint APIs.**

Testing and Certification of Biometric Devices for UID Application

5	**Enclosures for performing testing and certification of the product submitted** [As per enclosures given in Page 3 of this document]	
6	**Fee details as submitted** [Indicate amount and the D D details]	
8	**Application filled in by**	
9	**Date**	

Declaration :

- *I will abide by all the Rules and Procedures of the Certification Body.*
- *I agree with the terms and conditions of the certification body.*
- *I agree with the schedule of Charges of certification*
- *I agree with certification agreement*

(Authorised Signatory)

Testing and Certification of Biometric Devices for UID Application

Enclosures to be submitted along with the Biometric Device:

1. **Documents and other inputs required for Test and Evaluation:**
   - **Device Documentation – Biometric Device Specifications, Design Document , User/ Operations Manual, SDK Documentation**
   - **Certificate for ISO 9001:2008 Certification for Biometric Device Development, Manufacturing and Service facility (Manufacturer)**
   - **Certificate for ISO 9001:2008 Certification for Biometric Device Supply, Training, Calibration and Maintenance etc facility (Supplier/Distributer)**
   - **Certificate of Incorporation in India (Supplier)**
   - **FBI Certificate for Image Quality of Biometric Device (Appendix F) along with Test Report**
   - **UL/ ANSI RP/ IEC 60825-1/ RoHS Certificate for Safety of Biometric Device along with Test Report**
   - **WHQL Certificate for Device Driver along with Test Report**
   - **Compliance Certificate for FCC Class A and Environmental Parameters along with Test Report**
   - **Calibration Compliance Certificate of Biometric Device**
   - **Manufacturers authorization (Supplier)**

2. **The certificate ISO 9001:2008 should clearly cover the scope of Supplier/ manfucturing organization of Biometric Device.**

3. **03 Nos. of Biometric Devices along with SDK, API and driver software etc. (TBD).**

4. **The Application along with relevant documentation as above is to be submitted to:**

   Director STQC, Room NO. 3082, 6 CGO Complex, Lodi Road New Delhi-110003.

5. **The Test samples along with a copy of application & documents to be submitted to:**

   Director STQC IT, Room NO. 3017, 6 CGO Complex, Lodi Road New Delhi-110003.

NOTE:

-All pages of the application, device documents (Biometric Device Specifications, Design Document, User/ Operations Manual, SDK Documentation etc) and all attached documents submitted by the applicant should be properly stamped and signed.

-The application should be clearly hand written or preferably typed written so as to make clearly readable.
